# Eastern Nebraska Office on Aging

4780 South 131st Street • Omaha, Nebraska 68137 • 402-444-6536 • enoa.org

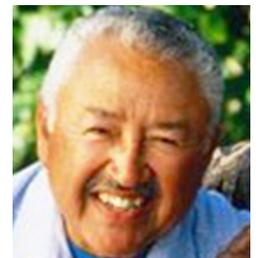

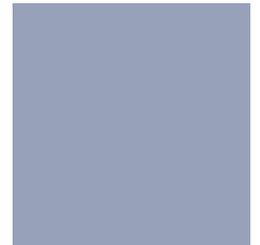

As one of the nation's 622 Area Agencies on Aging created by Congress under the Older Americans Act, the Eastern Nebraska Office on Aging serves families in Douglas, Sarpy, Dodge, Cass, and Washington counties. Our role is to provide a continuum of services to meet the varied needs of a diverse group of older individuals. Through our nutrition programs,

care management services, volunteer opportunities, and community services, we enhance the lives of older Nebraskans.

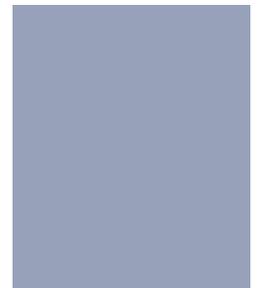

A further mission of the Eastern Nebraska Office on Aging is to assess the needs of older individuals and their families and to provide services to meet those needs.

By creating unique programs that fill gaps in service, ENOA helps older Nebraskans live independently, with dignity, and to remain for as long as possible in their own home. The caring, professional support we provide to the oldest members of the family can also help relieve the burden of caregiving on younger family members.

## CARE MANAGEMENT and CAREGIVER SUPPORT

*Promoting independence with support*

ENOA's Care Management and Caregiver Support programs are designed to help older adults live in their own home for as long as possible. Professional care managers work with older individuals and caregivers by identifying and coordinating available community resources and services.

*Care managers will:*

- Complete a comprehensive assessment that reviews health, nutrition, daily activities, etc.
- Develop a written plan for needed services.
- Provide information on resources to address assessed needs.
- Coordinate services, resources, and support.
- Provide ongoing monitoring of service programs.

## NUTRITION

### *So much more than a meal*

The Eastern Nebraska Office on Aging's nutrition program offers hot, healthy, nutritionally-balanced meals to our senior center and Meals on Wheels participants. Meals are designed to meet one-third of the recommended dietary allowance of nutrients, and comply with the most current dietary guidelines for Americans.

- **Home-delivered Meals (*Meals on Wheels*):** Weekday meals are delivered to those who are homebound and unable to cook for themselves. Recipients are certified for the meal delivery by either an ENOA care manager, the program's intake specialist, or the Department of Health and Human Services. Call 402-444-6536 weekdays from 8 a.m. to 5 p.m. for more information or to make a referral.
- **Senior Centers:** Located throughout our five-county service area, these facilities serve as resource centers in neighborhoods and rural communities. All centers offer a hot midday meal (reservations are required). Participants are asked to contribute towards the cost of the meal. Each center hosts a variety of recreational and social activities, guest speakers, crafts, nutrition and health programs.
- **Diner's Choice:** ENOA's Nutrition Division has developed the Diner's Choice program to provide a flexible meal schedule for older adults in our service area. ENOA contracts with a grocery store in midtown Omaha to provide meals based on what's offered in the store's restaurant area. Portions are adjusted to meet the nutritional guidelines approved by the ENOA dietitian. For more information, please call 402-444-6513.
- **Nutrition Counseling:** A Licensed Medical Nutrition Therapist (LMNT) works with ENOA's clients to provide individualized dietary counseling regarding healthy eating, weight loss or gain, therapeutic diets for diabetes, heart disease, high blood pressure, and various other medical concerns. ENOA offers a liquid supplement at a reduced charge when appropriate.

## VOLUNTEER OPPORTUNITIES

*Sharing a lifetime of experience*

Each year, more than 1,000 men, women, and young people answer ENOA's call to volunteer. They provide services worth approximately \$4 million per year by donating an average of 225,000 hours helping people. While our volunteers come from all walks of life and range in age from 12 to 98, they share a common bond: the need to help people. The Eastern Nebraska Office on Aging offers hundreds of volunteer opportunities through the following programs:

- **Ombudsman:** Advocates help ensure residents of long-term care facilities and assisted living communities enjoy the best possible quality of life by promoting the residents' rights and serving as a liaison between the residents and staff. Volunteers, who must be age 18 and older, are enrolled through an application and screening process. Pre-service and on-going training is provided. A minimum of two hours per week is required.

- **SeniorHelp Program:** Volunteers of all ages provide assistance to older adults that help them remain in their homes and improve their quality of life. Volunteers provide help such as: companion, escort/transportation, handyman, holiday gift delivery, lawn mowing, Meals on Wheels delivery, personal/household assistance, one-time clean-ups, painting, snow removal, and yard care. Scheduling is flexible. Volunteers are enrolled through an application and screening process.

Available M-F; 8 a.m.–5 p.m. Volunteers must complete a brief enrollment process.
