

Welcome!

The Eastern Nebraska Office on Aging's Senior Centers, located throughout the five-county area, serve as resource centers in neighborhoods and rural communities. Each center hosts a variety of recreation, social and health education activities and serves hot, nutritionally balanced meals.

Designed by a registered dietitian, the meals meet one-third of the recommended dietary allowance of nutrients. But there's more to the story than just a well-balanced meal. At ENOA Senior Centers, friendship and fun are always included on the daily menu.

ENOA Senior Centers are open to anybody age 60 and older and their spouses (regardless of age). A suggested contribution will be posted at the senior center.
