

# EASTERN NEBRASKA LICENSED ASSISTED LIVING FACILITIES

## What is Assisted Living?

Assisted living facilities offer a housing alternative for older adults who may need help with dressing, bathing, eating, and toileting, but do not require the intensive medical and nursing care provided in nursing homes. Assisted living facilities may be part of a retirement community, nursing home, senior housing complex, or may stand-alone. (Source: Eldercare Locator, U.S. Administration on Aging)

## What Services are Provided?

Residents of assisted living facilities usually have their own units or apartment. In addition to having a support staff and providing meals, most assisted living facilities also offer at least some of the following services: (Source: Eldercare Locator, U.S. Administration on Aging)

- Health care management and monitoring
- Help with activities of daily living such as bathing, dressing, and eating.
- Housekeeping and laundry
- Medication reminders and/or help with medications.
- Recreational activities
- Security
- Transportation

## What is the Cost for Assisted Living?

In most cases, assisted living residents pay a regular monthly rent, and then pay additional fees for the services they get. The term "assisted living" may mean different things in different facilities. Not all assisted living facilities provide the same services. It is important that you contact the facility and make sure they can meet your needs.

**The federal Medicare program does not cover the costs of assisted living facilities or the care they provide. (Source: Medicare.gov)**

## Aged/Disabled Medicaid Waiver:

The AD Medicaid Waiver program is available through the Nebraska Department of Health & Human Services Division of Developmental Disabilities. The AD Medicaid Waiver program is designed to provide older adults and adults with physical disabilities options to remain living independently at home or in assisted living community rather than in a nursing home setting. To be eligible for this waiver, Nebraska residents must be financially qualified for Nebraska Medicaid, and have physical and health needs that require nursing facility level of care. Not everyone who qualifies for Medicaid is eligible for Medicaid Waiver.

ENOA continues to provide service coordination for Medicaid Waiver participants of any age when our agency is selected by the client.

**\*\*Some Assisted Living facilities require that you pay privately for a period before they will accept Medicaid Waiver as payment. Not all Assisted Living facilities are Medicaid Waiver certified.**

**To make an AD Medicaid Waiver Referral contact the Nebraska Department of Health & Human Services Division of Developmental Disabilities:**
