More than 600 men, women, and young people answer ENOA's call to volunteer. They provide services worth at least \$4 million per year by donating a staggering 200,000 hours, helping people. While our volunteers come from all walks of life and range in age from 12 to 98, they share a common bond: the need to help people. Meaningful volunteer opportunities are available through the Eastern Nebraska Office on Aging's volunteer programs.

Our Mission:

To help older Nebraskans live independently, live with dignity, and remain for as long as possible in their own homes.

Ombudsman advocates help ensure that Assisted and Long Term Care facility residents enjoy the best possible quality of life by promoting the rights of residents and serving as a liaison between residents and staff. The role of the Ombudsman is to listen to residents' concerns, inform residents about their rights, and to serve as a resource person and a problem-solver. Volunteers must be age 21 and older, are enrolled through an application and screening process. Pre-service and on-going training is provided. A minimum of two hours per week is required, based on the volunteer's schedule.

SeniorHelp Program works with volunteers of all ages to provide assistance to older adults that help them remain in their homes and improve their quality of life. Volunteers provide such help as: Companionship, Escort/Transportation, Handyman, Holiday Gift Delivery, Lawn Mowing, Meals on Wheels Delivery, Personal/Household Assistance, One-time Clean-ups, Painting, Telephone Reassurance, Telephone Visiting and Yard Care. Scheduling is flexible. Volunteers are enrolled through an application and screening process. They receive a brief orientation prior to service.
