

ENOA Eastern Nebraska Office on Aging

NEWS RELEASE

March 24, 2020

For more information: Jeff Reinhardt @ 402-444-6654

The Eastern Nebraska Office on Aging – which serves older adults in Douglas, Sarpy, Dodge, Cass, and Washington counties – is asking for donations of new and unopened hand sanitizers, sanitizing wipes, and other disinfectant products.

As part of its efforts to keep its clients and staff members safe during the coronavirus pandemic, the donated items would be used primarily to clean and disinfect the agency's Meals on Wheels and Rural Transportation program vans.

Individuals, business, and organizations that would like to donate hand sanitizers, sanitizing wipes, and other disinfectant products are asked to call Jeff Reinhardt at 402-444-6654 to arrange for a drop-off or pickup.
